*With support from the European Union, the Province of Liège is striving for climate protection!
BRICKER: pioneering renovation to make public buildings energy efficient.*

The Provincial Authorities of Liège are delighted to invite you
on the **6 March 2018** to

the official inauguration ceremony of the European Project BRICKER

Come along to discover the retrofitting works
and the **innovative technologies implemented:**

*Installation of a cogeneration « O.R.C. » unit and a biomass boiler, integration of decentralized ventilation units,
insulation with PCM panels and much more!*

For the Provincial Authorities of Liege,

Marianne LONHAY
Provincial Director General

Muriel BRODURE-WILLAIN
Provincial Deputy

André DENIS
Provincial Deputy

Paul-Emile MOTTARD
Provincial Deputy-President
